This tool is to help your care team see how they can help you learn more about your Cystic Fibrosis (CF).

Please read each answer carefully before choosing the <u>one</u> answer you think is <u>best</u>. If you don't know an answer, no big deal. Just leave it blank and move on to the next question.

CF & GROWING UP

Note to care team: It is recommended that you obtain signed consent from a parent or guardian prior to administering this module.

Parent/Guardian Consent: I have reviewed the CF & Growing Up module. By signing below, I indicate my consent for the care team to administer this module to my child and provide my child with medically accurate information and/or literature on the subject as part of the learning process.

Parent/Guardian signature:	Date:
----------------------------	-------
